0845-0900	Mark Doe	Company LLC.
0900-0915		
0915-0930		

If you see a blank space you can sign-up for that time

WI-FI IS COMING

- **Wi-Fi connectivity can be established through 'MGUEST' with no password.**
- **Accept the user agreement.**

EBO OVERVIEW

What we do: Identify, pursue and accelerate business opportunities that improve resource utilization for both the Army and external partners.

- **Connect** with others who innovate, develop, demonstrate and accelerate technology
- **Communicate** the Army's ground vehicle technical needs
- **Create** collaborative business agreements

MECHANISMS FOR COLLABORATION

EBO supports engagements with Industry, Academia and Other Government Agencies with several mechanisms. Here are just a few key examples:

- Small Business Innovation Research (SBIR)
- Small Business Technology Transfer (STTR)
- Cooperative Research and Development Agreement (CRADAs)
- International Cooperative Research and Development Agreement (i-CRADA)
- Test Service Agreement (TSA)
- Reimbursable, FAR Contracts, and Other Transaction Agreement (OTA)
- Education Partnership Agreement (EPA)
- Engineer Scientist Exchange Program (ESEP)
- International Agreements / Project Agreements (IA / PA)
- Information Exchange Annexes (IEA)
- Data Exchange Annexes (DEA)
- Reciprocal Use of Test Facilities (RUTF)
- ManTech

UPCOMING EVENTS TO CONNECT WITH US

- **Michigan Defense Exposition (MDEX):** 3-4 April 2019 at Macomb Community College Expo Center. Hosted by NDIA.
- **GVSC Materials Flash-to-Bang Pitch Day:** 17-18 July 2019 at TBD.
#FLASH2BANGPITCHDAY
- **CAR Management Briefing Seminars (MBS):** 6-8 August 2019 at the Grand Traverse Resort, Traverse City, MI.
- **GVSETS with APBI:** 13-15 August 2019 at the Suburban Collection Showplace, Novi, MI. Hosted by NDIA.

EMERGING CAPABILITIES OFFICE (ECO)

- Leads and synchronizes the capability demonstration development across GVSC, TRADOC, PEO and the test community.
- Provides LNO support and leadership to the Centers of Excellence through S&T advocacy.
- Conducts routine interactions with PEOs CS & CSS/GCS, CCDC, research labs, ASA(ALT), TRADOC and FORSCOM to unify outcome-oriented efforts associated with ground vehicle capability developments.
- Plan, Organize, and Facilitate Soldier Innovation Workshops

SURVEY

- **Please provide us feedback as we strive to make our Industry Days event better each year. Look for the signs with the QR Code to link you to our survey or check your inbox for a survey from Survey Monkey.**
